PROUD INDIAN BENGALURU

Proud Indian

Notes to Financial statements for year ending 31 March 2023

1 Background

a. Entity Background

Proud Indian (the 'Trust') is a not-profit organisation incorporated on 16 March 2019 vide document number 864 of book 4/2018-19 at the office of sub-register indira nagar Bangalore. The Trust is formed to promote women empowernment, awarness, welfare, social cultural, health, education, environmental review, water bodies, and relief activities that will protect, safeguard, improve the quality and raise the standard of human life, particullary ecomonically weaker sections of the society irrespective of caste, creed, race, colour, sex or religion so that they may lead helthy, happy contented and dignified life.

2 Basis of preparation

a. Basis of preparation of financial statements

The financial statements have been prepared in accordance with the generally accepted accounting principles in India and the applicable accounting standards issed by the Institute of Chartered Accountants of India. The preparation required adoption of estimates and assumptions that can affect the reported amounts of revenue and expenditure and the assets and liabilities as well as the disclosure of contingent liabilities. Differences between the actual results and estimates are recognised in the year in which they become known or materialises.

The financial statements have been prepared on an accrual basis and under the historical cost convention.

b. Use of estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management of the Trust to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent liabilities at the date of the financial statements and the results of operations during the reporting year. Although these estimates are based upon management's best knowledge of current events and actions, actual results could differ from those estimates. Significant estimates used by management in the preparation of these financial statements include the estimates of the economic useful lives of the fixed assets, provision for employee benefits and provision for doubtful debts and advances.

3 Significant accounting policies

a. Income recognition

Income from training, grant/aid/scholarship and interest on deposits are recognised on accrual basis.

Donations are recognised on receipt basis.

b. Fixed assets

The Fixed Assets are stated at their original cost of acquisiton including taxes, duties, freight and other incidental expenses relating to the acquisition and installation of the concerned assets. The sponsorship /grant received against specific assets have been adjusted against the cost incurred for generating the respective asset.

Intangible assets

Acquired intangible assets are stated at the consideration paid for acquisition less accumalated amortisation and impairment losses if any.

Depreciation

Depreciation is provided under the written down value method based on the rates prescribed under the Income-Tax Act,1961. For assets purchased during the year, depreciation is provided proportionately based on the number of days asset is put to use during the year.

c. Impairment of assets

The Trust assesses at each balance sheet date whether there is any indication that an asset may be impaired. If any such indication exists, the Trust estimates the recoverable amount of the asset. If such recoverable amount of the asset or the recoverable amount of the cash generating unit to which the asset belongs is less than its carrying amount, the carrying amount is reduced to its recoverable amount. The reduction is treated as an impairment loss and is recognized in the profit and loss account. If at the balance sheet date there is an indication that if a previously assessed impairment loss no longer exists, the recoverable amount is reassessed and the asset is reflected at the recoverable amount, subject to a maximum of depreciated historical cost.

d. Employee benefits

The Trust during the year had no full time employee. Accordingly, Employee benefits including provident fund, employee state insurance scheme, gratuity fund etc are not applicable.

e. Operating leases

Leases where the lessor effectively retains substantially all the risks and benefits of ownership of the leased term, are classified as operating lease. Operating lease payments are recognised as an expense in the profit and loss account on a straight line basis.

f. Income taxes

Current tax

Current tax is the amount of tax payable on the taxable income for the year as determined in accordance with the applicable tax rates and the provisions of the Income-tax Act, 1961.

g. Provisions, contingent liabilities and contingent assets

A provision is recognised when the trust has a present obligation as a result of past event and it is probable that an outflow of resources will be rquired to settle the obligation, in respect of which reliable estimate can be made. Provisions (excluding retirement benefits) are not discounted to its present value and are determined based on best estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates. Contingent liabilities are not recognised in the financial statements. A Contingent Asset is neither recognised nor disclosed in the financial statements.

h. In the opinion of the Trustees, the current assets, loans & advances will realise a value not less than the amounts stated in the Balance Sheet, if realised in the ordinary course of business.

This space has been intentionally left blank.
